Supplied to the Prince of

Wales's Farm at

SANDRINGHAM

TESTIMONIALS

(From Mr. J. J. Moxon, Capilla del Señor, June 29, 1881.—The dip which you sent me I used according to directions, and I can assure you that it gave the desired result. During four years of practical experience of curing scab in sheep, I have never met with a more successful remedy than this. It is a most valuable preparation, and I have used it with much pleasure in treating my sheep. I prefer it to any dip I have used. From Mr. J. J. Moxon, Capilla del Señor, Santa Fe, June 29, 1881.—Having given a good trial to Gillard's Dip, I have much pleasure in bearing my testimony to its valuable quality as a Sheep Dip. It destroys all kinds of vermin which infest the sheep, mixes readily in cold water, does not irritate the skin, and softens all hard parts. I shall strongly recommend it whenever an opportunity offers. As regards the cheapness, it should command a good sale.

I feel great pleasure in informing you that the sheep dip supplied by you to me under the name of Gillard's Sheep Dip has had surprising results on my English long-wooled rams; it has kept them entirely free from scab after only two usings, although these rams have been constantly running in a flock of scabby sheep. I intend for the first time to give it a trial with a whole lot of my English breed of sheep as soon as I have them shorn, as I feel satisfied I shall with that dip keep each out of the flock.

From Messrs. Patrick Mahon, Lunar, Cliffole, Monaghan, and James Murray, Capilla del Señor, Sept. 18, 1881.—

It gives us great pleasure to inform you that, after giving a good trial to Gillard's Dip, we are fully determined for the future to use no other remedy.
